

Your busy clients will be grateful for the time the Amadeus Cars e-Voucher can save them when it comes to car rental reservations.

### Amadeus Cars e-Voucher worldwide Save time and money

Miami, Sydney, Capetown, Rio de Janeiro, Berlin - When we say worldwide, we mean worldwide. The Amadeus Cars e-Voucher can be issued by all Amadeus connected travel agencies worldwide and wherever your customers travel, wherever they need to pick up a car, the Amadeus Cars e-Voucher can be seamlessly issued ensuring your customers' reservation has been made safely and without fuss.

### Issue a reliable value document in no time at all

You can issue Amadeus Cars e-Vouchers either as full or partial value documents. Your customers will be delighted that they no longer need to show proof of reservation at the car rental counter because they will already have received the electronic voucher number.

Should your traveler require a written document, you can easily issue an itinerary which will contain details of the e-Voucher.

Instead of printing vouchers or writing them manually, The Amadeus Cars e-Voucher offers you speed, ease and the same paperless solution once exclusive to airlines through e-Ticketing.

### No training needed

It's easy. You issue an Amadeus Cars e-Voucher with one very simple command: CVP/S (segment number) / ET - That's all!

If you use the Amadeus Selling Platform graphical user interface (GUI), the Amadeus Cars e-Voucher can also be issued on the Ticketing tab with a few simple clicks.

Amadeus Cars e-Voucher is great and very practical! There is no longer any need for us to send vouchers via mail or courier. This is especially important for our busy travellers from corporations with same day departures. Furthermore, Amadeus Cars e-Voucher works perfectly for any destination.
